Dear Members of the Houston Relocation Professionals:

On behalf of the entire Candlelighters Childhood Cancer Family Alliance I would like to thank you once again for your support of our 2007 *Adopt A Family for the Holidays* program. The toys were a great hit – and were much appreciated by the families who received your toys! This year we were able to adopt over 125 families and your generous donations helped several families. I would like to tell you about two of the families who received toys from your group:

- Kevin is 3 years old and has leukemia. He lives with his mom and dad and his 4 year old brother Joseph. Kevin asked for toys for Christmas and “Santa” will be bringing him trucks, a McDonald’s cash register and food, books and barn full of farm animals. His brother will find trucks, dinosaurs and sticker books under the tree.
- Zoe is 4 years old and also has leukemia. She lives with her brother Aaron (13), mom, and her aunt and uncle. Struggling to pay for Zoe’s care, the family had planned on not celebrating Christmas this year. Zoe had wanted toys, Dora dolls, and anything Disney Princess. Your toy drive helped us to provide her and her brother with gifts this year. They truly would not have had Christmas but for the gifts you helped provide.

Thank you so much for your support and encouragement of Candlelighters Childhood Family Cancer Alliance. It is a privilege to accept these gifts in honor of the many children and families we served this holiday season.

Warmest Regards,

Gay Foust
